Electricity pricing information

Anytime General Supply	Price (exc. GST)	Price (inc. GST)
All usage	24.255 cents per kWh	26.681 cents per kWh
Daily supply charge	117.560 cents per day	129.316 cents per day

Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.

Price changes

Are these prices fixed?	No
-------------------------	----

We may vary your tariffs as set out in your terms and conditions by notice to you, which may be a message on your bill. Notice will be given as soon as practicable but, not later than your next bill (which may be after the effective date of the variation).

Electricity key contract features

Eligibility criteria	This offer is available to WINenergy residential customers, within the Citipower distribution zone in Victoria with an applicable network tariff.
Meter type	Single Rate

Fees

Standard Move In/Standard Move out	Fixed rate - \$38.50 "Next Day" connection/disconnection applies if request is received by 2pm for connection/disconnection on the next business day.
Priority Move In	Fixed rate - \$88.00 "Priority" connection applies if request is received by 2pm for connection on the same day, or after 2pm for connection on the next business day.
New Connection Fee	A new connection fee may be charged for establishing the first connection between the embedded network and your tenancy. If you are not the owner of the property, this fee is recoverable from your landlord under the Residential Tenancies Act 1997 (Section 53). Visit our website for additional fees & charges information or contact us to confirm if this fee will apply.
Additional fee information	For more information on our additional fees and charges, please call 1300 791 970 or visit https://www.winconnect.com.au/help-and-support/additional-fees-charges/
