## Electricity Price Sheet

These are the rates you'll pay per kWh for your electricity usage, plus if applicable a supply charge to cover the cost of getting the service supplied to your property.

The Charges can change from time to time, generally once a year. Don't worry though, we'll always let you know ahead of time before they do change.

| Charge description | Cost (incl. GST)   |
|--------------------|--------------------|
| <b>RETAIL</b>      |                    |
| Supply Charge      | \$1.920159 per day |
| All Usage          | \$0.279744 per kWh |

These rates don't include concession rebates or discounts which may apply to you.

## Other fees that may apply

We need to let you know these fees in case they apply to you. Some exclusions do apply.
